Los Angeles, California 90017

Dear Friends:

It gives me great pleasure to extend my warmest greetings to all who have gathered for The Campaign for College Opportunity's "*One Million More*" Awards Reception.

Since its inception, The Campaign for College Opportunity has continuously encouraged investment in the future of California through the advancement of education. I commend the Campaign's unwavering devotion to creating opportunities for all students to become successful college graduates, and there is no doubt that their tireless efforts will continue to benefit countless young people for many years to come.

I also would like to take this opportunity to recognize today's distinguished honorees: Senator Alex Padilla, Speaker John Pérez, and the California State Student Association. These honorees have proven themselves to be leaders of the highest caliber and outstanding community servants who have positively affected the lives of others. I would also like to congratulate all of today's exceptional student scholarship winners and honorable mentions. The incredible hard work and determination that these students have demonstrated are truly inspirational and will continue to open many doors for them in the years ahead.

As your United States Senator representing the State of California, I applaud The Campaign for College Opportunity and each of today's honorees for their remarkable accomplishments. Please accept my best wishes for a most memorable and enjoyable event.

With warmest personal regards.

Sincerely yours,
